MEET OUR NEW STAFF

MISS PICKERELL

I was born and raised in Taber, Alberta and attended DA Ferguson and WR Myers myself! I grew up playing volleyball, softball, and curling, and took band all through school, eventually participating in the pit bands for WR Myers Musical productions which I absolutely loved being a part of! English Language Arts was my major in university and still is my favourite subject, and I hope to help my students find their own ways to love ELA as well! I currently live in Lethbridge with my golden retriever, Sonny, and I'm so excited to be a part of the TMS family this year!

KATHY FRIESEN

Kathy graduated from TMS herself two years ago. She is currently working, as an assistant, with our High School students and is enjoying the familiarity of being back at TMS. Kathy got married this past summer.

Tegan graduated from Myers two years ago. She started working, as an assistant, with us last year and is happy to be back for another school year. Tegan enjoys volleyball and iced coffee.
